AND KEVIN HART'S CROSS MOTION FOR

ADJUDICATION**

Time: 10:00 a.m.
Ctrm: 4 – 17th Floor

J. KEVIN HART, declare as follows:

22 1. I am an individual and a defendant in the above-entitled action. I make this
23 declaration in support of Hayward Area Recreation and Park District and Kevin Hart's Motion for
24 Summary Judgment, or in the Alternative, Summary Adjudication. I have personal knowledge of
25 the facts set forth herein, and if called upon to testify thereto, I could and would competently do
26 so under oath.

27 2. I have personal knowledge of the following facts and could testify competently to
28 them.

1 3. I was on duty as the Public Safety Manager and employee of Hayward Area
2 Recreation and Park District (“HARD”) with a shirt identifying myself as such at Rowell Ranch
3 Rodeo on the evening of May 20, 2022.

4 4. A security plan was created by the Rodeo group renting the park for the day which
5 I was aware of from my previous review and approval.

6 5. The “free speech area” was designated in the immediate area of the entrance to the
7 parking lot. (Attached is a true and correct copy of the “free speech area”).

8 6. I observed Plaintiffs Cuviello and Bolbol approaching the ticket booth area of park
9 property on foot holding signs with graphic pictures of animal abuse.

10 7. I observed Plaintiffs and other individual demonstrators standing directly in front
11 of the security entrance and attempting to block visitors to the rodeo from entering the rodeo
12 event ticket booth entrance.

13 8. I observed Plaintiffs and demonstrators hold their signs and shout to individual
14 visitors and de-cry how they could watch such an event where animal abuse happens. I received
15 complaints relayed to me by Rowell Ranch volunteers that rodeo visitors felt their peace was
16 being disturbed by the demonstrators.

17 9. I approached an individual later identified as Plaintiff Cuviello who appeared to be
18 the group leader and advised him there was a designated free speech area located towards the
19 front entrance of the parking lot area.

20 10. I observed demonstrators including Plaintiffs continue to demonstrate when
21 requested to move to the designated free speech area and at times blocked the vehicle gate area
22 being used by vehicle traffic.

23 11. I observed Plaintiffs refuse to move and refuse to stop blocking visitors from
24 entering the rodeo.

25 12. Near the ticket booth area in the direct vicinity of the Plaintiffs and demonstrators
26 was a vehicle gate that was being used a number of times by vehicle traffic. I observed
27 demonstrators reluctantly move when faced with vehicle traffic and then immediately resume
28 demonstrating.

1 13. I have reviewed the videos produced by Alameda County and Plaintiffs as well as
2 the accompanying transcripts. The videos and transcripts are the true and correct depictions of my
3 interaction with Plaintiffs.

4 14. I never told Plaintiffs they were under arrest nor subject to arrest nor subject to
5 detention or citation at any time.

6 15. I had no intention of stopping the Plaintiffs and demonstrators from demonstrating
7 at any time.

8 16. Additionally, I had no intention of physically moving Plaintiffs or to intimidate,
9 coerce or threaten Plaintiffs with arrest.

10 17. I was informed prior to my interactions with Plaintiffs that Plaintiffs had a legal
11 right to protest at any location of park property unless they blocked ingress and egress for
12 emergency transportation lanes.

13 18. I had no authority to arrest Plaintiffs.

14 19. At no time did I instruct Alameda County Deputies to arrest Plaintiffs nor instruct
15 Alameda County Deputies to threaten Plaintiffs with arrest.

16 20. I did not coordinate nor plan a response to the demonstrators with Deputy
17 Mayfield nor anyone else from the Alameda County Sheriff's Department at any time prior to my
18 interactions with Plaintiff.

19 21. I had no professional nor personal relationship with Deputy Mayfield prior to May
20, 2022.

21 22. I had no weapon on my person during my interactions with Plaintiffs nor any
22 handcuffs.

23 23. I never raised my voice nor stepped toward Plaintiffs to make them feel
24 intimidated or threatened.

25 24. Plaintiffs did not appear afraid of arrest at any time.

26 25. Plaintiffs were never stopped from protesting nor physically forced to move to the
27 "Free Speech Area."

28 26. I had no further contact with Plaintiffs at any time.

27. I understood that demonstrators had a right to protest on public or quasi-public property based on my prior professional experience.

I swear under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my own personal knowledge.

Executed this 28th day of June, 2024, at Danville, California.
